A [REDACTED] B [REDACTED], an employee of Lenox Jewelers, 2379 Black Rock Turnpike, Fairfield, CT., called 911 at 1727 hours to report a robbery had just occurred in the jewelry store. On arrival Beebe who was visibly shaking and nervous explained that at the time of call four (4) males entered the store all wearing black hooded sweatshirts, sunglasses, black face paint to mimic a beard, blue jeans and were all carrying ballpeen style hammers. The males walked in through the front door with their heads down and one of the males announced "don't move or I'll kill you" and then kept shouting "don't move". The males all then began smashing the glass Breitling watch case and removed the forty-two (42) watches. Beebe stated that they huddled for a moment and then fled the store running north and then down the rear staircase to a gray sedan and fled west on Brookside Drive towards Pansy Road.

Two witnesses, J [REDACTED] B [REDACTED] and K [REDACTED] G [REDACTED], who are employed by Homeguard Alarm Services located behind Lenox Jewelers observed the four males fleeing down the staircase and thought that the perpetrators were carrying handguns. B [REDACTED] and G [REDACTED] began to follow the gray sedan that the four males entered but do to it driving at a high rate of speed on Brookside Drive they were unable to stay behind it. G [REDACTED] then noticed a gray sedan (Massachusetts Registration CI51YG a 2004 Audi A8 4door color gray) running with its lights off at the intersection of Brookside Drive and Samp Mortar Drive and it appeared that the operator was hunched down to avoid being noticed. G [REDACTED] then pulled behind the Audi to take a cell phone picture of the license plate but the operator hit the brake pedal which washed out the image. The Audi then took off at a high rate of speed eastbound on Brookside Drive, north on Black Rock Turnpike and then traveled north on Route 15.

familiar with Santo who has an extensive criminal record and is a suspect in attempting to run down an Enfield Connecticut police officer. Det. Edwards and two other Springfield police officers conducted a surveillance at the home of a Santo associate, Raphael Davila. A short time later three males exited the home and vehicle, when Det. Edwards attempted to stop the vehicle they were engaged in pursuit and lost sight of the vehicle. Det. Edwards went to the registered owners home where he was told by the registered owner that a short time before they arrived Felicity Santo came and asked to borrow his vehicle and he agreed.

An NCIC/SPRC/III check on Alex Oyola dob [REDACTED]/86 revealed four arrests for charges including Assault and Battery with a Dangerous Weapon, Assault and Battery on a Police Officer, Disorderly Conduct, Iciting a Riot, Reisting Arrest and Receiving Stolen Property.

Oyola gave three seperate police officers three different accounts of where he was coming from prior to being stopped. Based on my training and experience I know that while committing robberies such as the aforementioned incident the perpetrators will utilize a crash or "blocking" car to impede the response of police or interfere with the apprehension of the suspects who hold the proceeds of the crime.

Alex Oyola bob [REDACTED]/86 was transported to police headquarters and charged with Conspiracy to Commit Robbery

I responded to the area of Black Rock Turnpike and the Merritt Parkway (Route 15) in an attempt to locate a fleeing vehicle (possibly a gray Volvo) that was just involved in a robbery at Lenox Jewelers (2379 Black Rock Turnpike).

While searching the area, dispatch relayed over the radio that a witness was following behind the involved vehicle on the Merritt Parkway. The witness told dispatch that they were heading northbound on the Merritt and just passing exit 49. I immediately got on the parkway and headed to the area along with other assisting agencies. The vehicle was finally stopped and boxed in by Stratford Police in front of the Mobil Service Station, just north of exit 55. I arrived on scene as Stratford stopped the vehicle. I ordered the operator out of his vehicle with the assistance of Officer Fraccassini.

The operator was immediately handcuffed and patted down for weapons. I then placed him in the back of my police vehicle. I asked the subject to identify himself and he told me his name was Alex Oyola. When I asked him for his date of birth he hesitated and said 10/10/85 and then said "no its 10/10/86". I also asked him whose car he was driving and he responded that the car belonged to his girlfriend. A DMV check of the vehicle VIN# revealed no information.

I conducted a pat down of the vehicle passenger compartment for weapons which was negative. I checked the glove compartment in an attempt to locate the vehicle registration to identify the vehicle owner and confirm Oyola's identity. While looking through the papers in the glove compartment, I located two separate Map Quest lists that listed the names and directions of numerous jewelry stores in

On January 18, 2010 I received a call from an anonymous male who stated he had information on the robbery at Lenox Jewelers.

The caller stated that the younger brother of the arrestee (Alex Oyola) named [REDACTED] was involved in the robbery. He also stated a subject named "Ralphie", who owns a auto shop in Springfield, MA and "Santo" were involved in the robbery.

The caller stated that Ralphie lives on Somerset St, last house on the right, in Springfield, MA. He described it as the Forest Park section of Springfield, MA. The caller stated Santo was involved in a robbery in Enfield, CT in which he attempted to run over a police officer. (This information has been corroborated by the Enfield Police. Arrest Warrants are pending for Santo Filiberty)

The caller stated this group is involved in jewelry store robberies and burglaries in Holyoke, Ma, Westfield, MA and three or four in Connecticut. He stated that after committing the robberies/burglaries, they will drive to New York City and sell the stolen items there. He stated that is how they get money for the fancy cars they drive. The caller knew that we seized a 2004 Audi A-8 registered to Oyola's girlfriend. He also stated that most of the jewelry worn by Oyola's girlfriend is from the jewelry store robberies/burglaries.

The information provided by the caller is consistent with information provided to the Fairfield Police by members of the Springfield, MA Police and the Mass State Police. This caller appears to be very credible.

Pursuant to a Search and Seizure Warrant, on February 10, 2010 I received phone records for phone 413-294-6700 from AT&T, which was located in the vehicle being driven by Alex Oyola at the time of his arrest. An analysis of those records show that this phone was used to make several phone calls and send text messages just prior to, during and just after the robbery at Lenox Jewelers.

See attached timeline for details.

Oyola was taken into custody a short time later.

This timeline is consistent with Oyola driving from Springfield to the area of Lenox Jewelers, acting as a "lookout" by remaining in the area of the robbery for several minutes after the car containing the suspects fled the area and then driving back towards Springfield, MA. This information also refutes Oyola's statement that he was coming from Newark airport when he was suddenly cut off by a police officer (see Officer Deangelis' report).

Among the phone calls made to and from this phone just prior to the robbery were calls to [REDACTED] 2622, listed to Junior Davila and [REDACTED] 3110, listed to Santos Feliberty. According to officers from the Springfield, MA police department Davila and Feliberty are associated with a group of suspects involved in jewelry store robberies and auto thefts in Massachusetts and Connecticut.
